Come December, Christmas spirit and the spirit of harvest rule the heart of each and everyone of us. December, the last month of a year has finally descended to this earth and it has brought all our memories associated with 2018 alive. It not only marks the end of the year but also compels each and every one of us to take a walk down the memory lane and recollect the best things that have happened to us in this year and set our goals for the next year. We are convinced that our experiences in 2018 will be like a light house inspiring us and showing us direction to our pursuits of fulfilling the dreams and aspirations of our students.

As you are aware, our students are all geared up to exhibit their talents during the Annual Day Celebrations and preparations for the same are in full swing. I am sure our students will not let you down and they will try their best to live upto your expectations.

Your co-operation lended to us has been amazing so far and I am convinced that we will continue to shine in academic excellence with your support and co-operation in our armoury. Your willingness to walk hand in hand with us has been phenomenal and the same has been reflected in the Annual Examinations for the last 6 years.
