Dear All

Sub : Curriculum Plan 2022-2023.

As the academic year 2022-23 had begun, as per our earlier practice Curriculum is to be designed and to be made ready as it throws a glance of the syllabus and it's related activities.

All are requested to go through the given format and fill the data.

The check points to be passed before reaching to the undersigned are:

1. Teachers will prepare the curriculum.
2. HOD's will go through it and give their insight inputs.
3. Then, COD's has to go through and give their insight inputs.
4. Once it is done, it has to reach to the Principal's of both the respective schools.
5. In coming week, there will be a common meeting with the teachers of both the schools to cross check and verify the curriculums and any other points.
6. Finally they should come to one platform for both the schools before implementation.
7. All the members are required to take utmost care and give top priority for the above subject.
8. The date and time for the common meeting will be declared soon.
9. The final outcome will come after approval from Approval Committee.

Regards!
