

SBD INTERNATIONAL SCHOOL:: BHADRAK MONTHLY CIRCULAR - JUNE 2022

“So long as men can breathe or eyes can see,
So long lives this, and this gives life to thee.”

These two lines, the closing couplet of William Shakespeare make one of the boldest boasts in poetry.

Transportation:

Thank you for supporting us in setting up the transport service. As you all know, due to pandemic our transport service was badly affected as there was no collection of transport fees from any of our parents. In order to streamline the school transport division, we are still working out on various areas to make it perfect from our side. We assure you that after the summer vacation, we will definitely deliver our best to provide better & comfortable service and live upto your expectations.

Considering the safety and proper identification of the child for route & stoppage locating, school would be introducing a separate transport ID card. The students those who will be provided with a transport ID card, will only be allowed to board the vehicle. We are sending the route and shuttle details of each class. Kindly have a look at it and let us know if there is any issue. **If there is any issue kindly send the details to 7077710010 through WhatsApp with the name of the child and class. Please avoid any call.**

Note : The distance mentioned may vary if we find the child is getting down at a different stoppage. The distance mentioned is taken from Google map. If the actual distance is more than the KM may vary and the charges will also differ.
