**WE NURTURE
THE YOUNG MINDS
AND MAKE THEM
GLOBAL**

Mr. Debasis Dixit
Managing Trustee

Introduction :

SBD International school, the only Higher Secondary Day Boarding School in the District is a 'Dream come True' of Sri Rameshwar Charitable Trust.

Conceived in the in the year 2012 and established in 2013 the school has carved a niche in the entire district of Bhadrak and has made its present felt in the state as well.

Within a short spam of only 5 years the school has attracted students from far and wide. With 1400 students on roll and support of parents the school is now a

trusted brand for all. Buoyed by the tremendous success of SBDIS Bhadrak, another branch at Jajpur Road was established in the year 2015 which is running with success with 600 students.

As a diamond in the crown SBD international School is now adorned with the prestigious British Council International School Award. It is one of the rarest achievements and SBDIS is one among only 7 schools in Odisha to be the proud winner of this award.

Director's Profile

Our Director - Mr. Yudhistir Debata is an iconic teacher with more than 25 years of experience in teaching at reputed schools in India. Starting his career as a lecturer in Maths in Charampa College and getting frame as a Maths teacher at DPS Vidyapeeth, Randia, he moved on to work in schools like K.D. Ambani Vidyamandir, Jamnagar and Presidency school in Bangalore, his latest being the Vice Principal at Presidency. With the call of the teacher within him and a mission to serve his home town, he returned back in 2012 to build SBDIS Bhadrak and has never looked back again.

Director's Message

Our commitment at SBD International School is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the twenty-first century.

High standards and expectations for each student in regard to academic performance, co-curricular participation, and responsible citizenship are the foundation of our school. It is with pride that we hold these high standards and ask each of our students to commit to maintaining the extraordinary record of achievement and contribution that has been the legacy of SBD International School students. It is the contribution of our students to our school community that makes SBD International School an exceptional learning community. Full participation in academic and co-curricular programs and a willingness to act responsibly as an individual within our educational environment are the factors that enable all to have a successful and enjoyable year.

With an objective to deliver education of international standards with world class facilities and educational programs beyond the limits of the academic curriculum, we established SBD International School and we help children identify their strengths and help hone them. SBDIS is all about providing your kids the platform to be successful in any field they purpose.

Mr. Yudhistir Debata
Director

**IN ORDER TO CARRY A
POSITIVE ACTION
WE MUST DEVELOP HERE A
POSITIVE VISION**

Mr. Bidhyadhar Agasti

NRI, Based in the USA
Managing Director

The dream and vision behind SBDIS :

Our Managing Director, Mr. Bidyadhara Agasti is a B.Tech in Mechanical Engineering and an MBA in Customer Management. With an experience of 15 years in the field of Software Engineering and Manufacturing abroad he has the exposure to the best of the educational practices in the world. Though settled in the USA, his urge to do something for his home town has drawn him to SBD International School. With an aim of giving the best to the people of Bhadrak and bring here the international standard of education, he conceptualised SBDIS.

Vision:

- a) To provide the best of education to the student community through innovative and effective learning methodologies, constant improvement, cultivation of practical skills and unflinching commitment to academic quality.
- b) The vision of ours extends beyond the narrow walls of classroom and textbooks. We believe that education is about preparing and equipping young people for life and not just for school. With this philosophy as our inspiration, we will provide a stimulating environment where children enjoy learning and are encouraged and challenged to perform to the best of their abilities in all areas of our extensive curriculum.
- c) The vision is to create one of the best institutes under which a child would start learning the 1st word and go out as one of the best human being to contribute and build the society.

**DEVELOP CREATIVITY
AND THE ABILITY TO APPRECIATE ART AND
SHOWCASE ONE'S OWN TALENTS**

Courses Offered :

Keeping in view the NCERT and CBSE curriculum, we have developed a broad based and challenging academic programme giving students ample opportunities to explore, experiment and learn, thus preparing them for a rapidly changing world.

- They key objectives of the CBSE curriculum are:
- To enhance self - awareness and explore innate potential
- To develop creativity and the ability to appreciate art and showcase one's own talents.
- To promote capabilities related to goal setting decision making and lifelong learning.
- To nurture assertive communication and interpersonal skills
- To learn to be empathetic towards other, display dignity and respect to everyone.
- To foster cultural learning and international understanding.
- To strengthen knowledge and attitude related to livelihood skills.
- To acquire the ability to utilize technology and information.
- To inspire the attitude of functional and participatory learning.
- To develop abilities related to thinking skills and problem solving.

Teaching Methodology:

Kindergarten

A stage when your toddler is curious about everything around him.

At the kindergarten level. We follow the integrated Montessori approach. This approach seeks to sensitize toddlers to the learning environment by reaching out to their intelligence and understanding their unique talents. A moving child is a learning child and this has led to our activity based learning that has several motor skill based activities mapped with the cognitive learning. This allows children to hop, skip, jump and still involve in inquiry based activities that allows them to observe, enquire and investigate.

Areas of Learning:

- Social and personal Development
- Problem Solving
- Reading and writing
- Speaking and Listening
- Alpha-Numeric Learning
- Decision Making
- Playing with other kids
- Health and Physical Activity
- Fine Arts-Art and Craft
- Performing Arts - Singing, Dancing, Theatre

THE SOUND ACADEMIC PROGRAMME IS THE HEART OF ANY EDUCATIONAL INSTITUTE

Primary School (Grade I - V)

A stage when your child starts to learn new concepts and ideas.

Primary School is when children begin to learn concepts that form the basis of their understanding of life. This is the time when they need to be eased into comprehending and grasping theoretical ideas that can be stored for future reference. So before they are taught anything, firstly, they need to learn how to learn.

The primary school classroom looks more like a curiosity studio—with interactive learning aids, colourful display boards, a class library and activity zone. The well-ventilated and brightly lit classrooms are equipped with comfortable and ergonomically designed seating arrangements. Academic development apart, they begin to recognize and build their natural talents in our scientifically designed sports facilities and fine arts studios. The main focus of the curriculum during these formative years revolves around:

- Literacy
- Numeracy
- EVS
- Arts - Fine Arts and Performing Arts
- Personal, Social and Physical Education

The Middle School (Grade VI-VIII)

A stage when your child is hungry for knowledge.

Once children are given a taste of knowledge, their curiosity and yearning knows no bounds. They seek answers to all their questions. The Middle School & Secondary School at SBDIS is abuzz with activities. Well-qualified and experienced mentors help instil a love for subjects, and encourage them to have an investigative mind to explore the many knowledge banks that open up. Regular assessments and assignments help optimize the learning experience, and parents are kept informed to help guide the children towards positive learning.

The Secondary School (Grade IX-X)

In this section education is imparted to the students of classes IX-X with enhanced and upgraded laboratories for Biology, Chemistry, Physics, Language, Math, Computer Labs and all other resources — all designed to bring out the best in the students.

The Higher Secondary School (Grade XI-XII)

CLASSES XI & XII

SBD International School is the only Independent Higher Secondary School in the District of Bhadrak and has been termed as the choice of all. Its unique concept of integrated coaching and evening enrichment classes has been highly appreciated by the parent community and admission is in high demand for science and commerce. Students in classes XI and XII are given personal care by dividing them into small groups and clearing their doubts in the evening classes. Experts are hired to provide coaching for various competitive exams and academics is regularly monitored by experts in the field.

We believe in making our students confident enough to face the world with courage and conviction as the road that lies ahead of them is full of challenges. To counter the ever growing challenges successfully, we provide them the best education in the field of Science & Commerce by utilizing the services of highly experienced and trained faculty.

Key Feature :

1. AC Classroom.
2. Regular evening class for conceptual understand and practice.
3. Specialized trained and dedicated teachers.
4. Special coaching for NEET, JEE, KVPY.
5. Special modern lab.
6. Doubt clearing classes on weekends.
7. Regular test series and PTM.

ASSESSMENT FOR CLASSES XI & XII

Assessment for classes XI and XII will be done as per the CBSE directives which includes weekly tests/Periodic Tests and Term - end Exam. After each Term, the performance of the student is analyzed and the Head of the Institution may, if necessary, advise the parents to send the pupil to school for extra coaching.

Choice of Subjects in Classes XI & XII

Science : Compulsory subjects - English, Work Experience.
Optional Subjects - Maths, Physics, Chemistry, Biology / Computer Science, Physical Education & Painting.

Commerce: Compulsory subjects- English, Work Experience.
Optional Subjects - Accountancy, Business Studies, Economics, Maths / Computer Science, Physical Education & Painting.

Admission Rules :

A child is admitted to the Nursery Class if he/she has completed the age of three years. The Application for the Admission must be accompanied by a Birth Certificate.

- For the Students seeking admission to higher classes, he/she has to pass the Admission Test and Interview with School Leaving Certificate duly countersigned by the Education Officer.
- The Admission of a child means complete acceptance by the parents/guardians of all the School Rules and Regulations in force or as amended from time to time. School Rules are subject to change at the discretion of the School Management.

Mode of Assessment :

The School has a system of Continuous and comprehensive evaluation. There are formative and summative tests up to class X. Cyclic Tests and terminal tests are held on regular basis to assess the level of understanding of each and every student. The parents are regularly updated about the performance of their wards. Each progress report contains the following information.

- Target grades for each individual
- Current level of attainment in each individual subject. A child is assessed as per the following criteria.
- Attitude to learning, acknowledged by a number of indicators including
- Attendance & Punctuality.
- Performance in physical activity.
- Completion of assignments.
- Number of grades gained

Faculty :

To achieve its objective, SBDIS has a meticulously picked team of committed, enlightened and zealous teachers who are determined to make the process of teaching an interesting, and innovative endeavour that makes learning fun. We truly believe that our staff with the right blend of experience, enterprise and communication skills is our strength.

All the teachers have the special qualities i.e. patience and understanding that distinguishes a good teacher from the ordinary. They are dynamic, relaxed and enthusiastic with the ability to create a friendly atmosphere in which the child can express himself and learn. Teachers, as facilitators, guide and counsel & encourage the development of each child by providing security and warmth, emphasizing self-discipline more than authority and encouragement rather than punishment.

THE LIBRARY IS THE TEMPLE OF LEARNING

10

Exclusive Library

Library:

The School believes that Library plays an important role in shaping the lives of the students. SBD Group of schools is proud to have well equipped library of its own. Having realized the importance of library in an educational institution, it stores more than 5,000 books of different subjects. To add to this, the library subscribes more than 10 dailies, magazines and journals. The students use library with keen interest.

SCHOOL IS AT ONCE A PLACE OF HOPE,
BUT IT'S ALSO A **LABORATORY** THAT
EXPOSES OUR **DIFFERENCES**

International Exchange Programme

International Exchange Program :

True to its name SBD International School is truly an international school .SBDIS is affiliated to CBSE till Higher Secondary level and is the winner of the prestigious ISA of British Council for the period 2018-2021.

Our students have participated in online exchange program with the students of countries like **Sri Lanka , South Korea , United States of America & Nepal**. This exchange program helps to know about the culture , education and development of other countries . It really gives them a true international outlook.

Video conference with students of partner school from South Korea and discuss about tribal culture of each other

Features & Facilities of SBDIS Day Boarding School

Infrastructure:

- Beautiful aesthetically designed campus.
- AC Class Rooms on the top floors.
- Smart class programme using interactive digital boards by HCL, Extra marks.
- Airy, well-lit, technology enabled Classrooms.
- State-of-the-art computer labs with multimedia facilities.

Academic :

- Integrated CBSE Course from Class I to X.
- Day Boarding Concept (Completion of Homework and Coaching Classes in school itself).
- Computers aided learning.
- Montessori room.
- Spoken English .
- Audio visual hall.
- Well equipped and modern Physics, Chemistry, Bio, Maths, Life sciences, language Lab.
- Well equipped Library.

Homework :

We have devised new approach to homework. Learning can be easy when it is fun. The salient features are : Home work time table set for the week 2 subjects/day, practice on the lessons taught.

- Self-study assignments have to be completed in school, and can be taken home only in exceptional cases.
- Homework will be evenly spread and specific days will be earmarked for specific subject, e.g., English and Math's on Monday, Science on Tuesday and likewise

Tuition Classes :

- Remedial / Enrichment Classes are arranged for students in a small group.
- Low achievers are also taken care of when they are provided extra coaching classes on Saturday and Sunday afternoons.

Activities :

- Art and Craft Studio.
- Calligraphy.
- Yoga classes.
- Music and dance studio (Both Classical & Modern).
- Musical Instruments (Guitar, Drum & Keypad).
- Rock band Orchestra.
- Counselling and orientation programs for students, parents and staff.

Sports :

- Boys : Badminton, Football, Volleyball, Basketball, Cricket, Martial arts, Athletics, Chess and other indoor games like Table Tennis.
- Girls : Badminton, Handball, Basketball, Martial arts, Athletics, Chess and other indoor games.

Health :

Regular health checkups by eminent Doctors.

Sportathon :

Sportathon is an end to end sports & wellness solution company, envisioned and built on three most essential pillars of sports & wellness ecosystem viz. Sports, Events and Fitness. We have brought together the most consummate experts from all fields of sports, fitness, nutrition and related services under one umbrella.

Mindspark :

Mindspark focuses on understanding and analytical thinking, not just knowledge of facts, or drill in procedures. It helps students discover for themselves the 'why' behind the Maths they do.

Extramarks :

"Extramarks Smart Learn Classes" uses learning modules mapped to the syllabi provided by various educational boards. These modules are based on a pedagogy specially developed by experienced educationists.

Canteen :

Our menus are specially designed by nutritionists and dieticians. Members of the staff eat along with students to supervise and assist those who need help as well as teach table manners and dining etiquette. The school also provides opportunity to the child to develop good eating habits - avoid fussing on food and learn to enjoy well-cooked, nutritious and a balanced diet provided by the school. Learning to share, developing manners is an incidental learning pattern that occurs by itself. It is with this view that the school provides them with meals i.e. breakfast, lunch and juice from automated kitchen.

Transport :

The Institute has its own fleet of specially designed buses and Vans. Each bus is equipped with First-Aid facilities along with emergency contact details. Bus Fares will be charged separately depending on the place of pickup.

Societies & Club

The school lays stress on curricular activities. To promote higher learning the school has set up different clubs & society.

(a) Science club:

Its objectives is to popularize and create interest in scientific learning. It also celebrates "SCIENCE WEEK" every year with Seminars and quizzes.

(b) Literary Club:

The aim of the club is to develop creative writing in English & Hindi. Original writings are selected and read out by the authors themselves before an audience in the assembly.

(c) Debates and Elocutions

Debate and Elocution competitions form integral part of our school curriculum competitions are held at regular interval.

(d) Eco Club

Eco clubs in schools will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighborhood communities to promote sound environmental behavior.

(e) Robotic Club

A robotics club is a gathering of students who are interested in learning about and working with robots. At school, robotics clubs typically take place after school, in a classroom, and moderated by a member of the teaching staff or school administration.

(f) IT Club

The Computer Technology Club is open to all students. The club explores many topics related to computers, depending on student interest.

(g) Music & Dance Club

(i) NCC & Scout

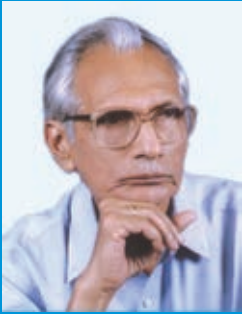

SBDIS is a proud member of 2(0) Navel Unit NCC, Bhadrak and Bharat Scouts and Guides. We have successfully passed one batch of Navel unit which has brought laurels by winning prizes in almost all events during the camps and competitions. 47 students have secured 'A' certificates in NCC. This is our 4th year in Scouts and Guides and our students have qualified in **Rashtrapati Puraskar** and **Rajyapal Puraskar**. All our units in NCC, Scouts and Guides have won prizes in the district level parades held in Nehru Stadium. Our School is the only Eng Medium School to introduce NCC (Navel) unit in Bhadrak.

Awards and Recognition

Our students have been our ambassadors and they bring laurels at state and National level every year. Every year our students bag prizes in the State Level Literary and Sports Events thus making us proud.
